VIDEOCITOFONO

Farfisa expands ZHero line by presenting a new monitor in perfect harmony with the fundamental values of the family: **ZHeroS, the videointercom synthesis of technology and design, to enhance all the simplicity of use for highest performances.** Thanks to Duo System digital technology, **ZHeroS** is also suitable for residential estates with high number of users and is suitable for any environment: **residential or business, too.**

Designed to be **surface wall mounted** thanks to its **small thickness and simple design** and conceived for easy use, ZHeroS suits any environment and architectural style. The entire range of Farfisa door stations working on Duo System is compatible with ZHeroS: from the built-in or surface solutions to the robust options vandal-proof.

**PLUS:**

- 4" screen
- extreme easiness in use with **Duo System**

**Lighting signals:**

- open door
- bell exclusion

**2 buttons for additional services configuration:**

- PABX call
- relay activation
- additional external door activation
- intercommunication service

**TA1260:** Table adaptor for **ZHero** monitors

**INSTALLATION:**

Digital technology Farfisa **DUO System** uses only **two non-polarized wires for complex systems** and, if required, **complemented by PABX service.** The installation simplicity combined with **fast wall mounting** and easiness of programming through DIP switch of ZHeroS, allow easy and smart installation and avoids potential errors.

**KITS:**

\*ZH1252AGLE: one-way videokit with **ZHeroS** monitor and **Agorà Light** door station, **directly powered** by the bus, **Duo Easy** range.

\*ZH1252AGLE/2: two-way videokit with **ZHeroS** monitor and **Agorà Light** door station, **directly powered** by the bus, **Duo Easy** range.
